Professional Experience

2023 – 2025	Lms coordinator Coordinated student enrollment and academic tracking from entry-level to final-year students. Managed student records, including ID and username assignments, ensuring accurate data handling. Utilized the Moodle platform to enroll and manage GenMath students, supporting seamless digital learning integration. Acted as a liaison between students and academic staff to facilitate smooth course access and support.
-------------	--

Education

06/2022 – 03/2025	Bsc computer science <i>Calicut university</i>
06/2020 – 03/2022	Secondary school <i>Ppmhss</i>

Technical Skills

Django	Python
Html	MySql

Languages

- Malayalam
- English

Projects

2024 – 2025	E Learning app Technologies: Python, Django, Flutter, React, REST API Designed and developed a modular e-learning system comprising three distinct modules: Admin, Faculty, and User. Built the User module as a mobile application using Flutter, with Django and REST API for backend services. Developed the Admin and Faculty modules as web applications using Django, enabling content and user management. Implemented features such as secure authentication, study material upload, assignment distribution, and real-time faculty-student interaction.
